Skyfall (2012)

Skyfall is one of the best action films in recent years. Released in 2012, it stars Daniel Craig as secret agent James Bond and Spanish actor Javier Bardem in the role of Raoul Silva, the villain in this film.

The plot involves a genius computer hacker who is an ex-spy. He wants to take revenge on the organization he used to work for and James Bond has to prevent this from happening. There is a lot of exciting action scenes as Bond pursues him around the world. Can he stop him before it is too late?

The film is set in a variety of locations including Istanbul, Shanghai, Macau, London and Scotland, which gives it a very international atmosphere. The soundtrack is impressive and includes the theme song 'Skyfall', performed by English singer Adele. The acting; is also of a very high standard Jand Bardem brings his character to life with a dazzling and memorable performance.

I would highly recommend Skyfall, especially if you are keen on action films. It will have you on the edge of your seat until the very end and I am sure you will not regret watching it.
