

Write the words in the gaps:

weather

easy

fine

town

nights

little

down

life

Stronger days, bitter \_\_\_\_\_

Cold hands, warm heart

Walking round

But you're staring at the ground

Take hold, fall apart

Little by \_\_\_\_\_

Someone blows the whistle

It don't matter in the end

So just slow it all down, slow it all \_\_\_\_\_

You gotta take it easy, \_\_\_\_\_

Live your life

Take on any kind of weather,

you and me together

We'll be fine

You gotta take it easy, easy

Take your time

It's just you and me together,

any kind of \_\_\_\_\_

We'll be fine

Open road, broken down

Bright lights, dark \_\_\_\_\_

Stand up then you fall again

You will find a way in the end

You gotta take it easy, easy

Live your \_\_\_\_\_

Take on any kind of weather

you and me together

We'll be \_\_\_\_\_

together

weather

time

end

easy

fine

You gotta take it easy, easy  
Take your \_\_\_\_\_  
It's just you and me together  
any kind of weather  
We'll be fine  
Little by little  
Someone blows the whistle  
It don't matter in the \_\_\_\_\_  
So just slow it all down, slow it all down  
Little by little  
Someone blows the whistle  
It don't matter in the end  
So just slow it all down, slow it all down  
Yeah, yeah  
You gotta take it easy, \_\_\_\_\_  
Live your life  
Take on any kind of weather  
you and me together

We'll be \_\_\_\_\_  
You gotta take it easy, easy  
Take your time  
It's just you and me together  
any kind of \_\_\_\_\_  
We'll be fine  
Easy, easy  
Live your life  
You and me \_\_\_\_\_  
Any kind of weather  
We'll be fine  
Easy, easy  
Take your time  
It's just you and me together,  
any kind of weather  
We'll be fine  
Take it easy, easy  
We'll be fine
