

A holiday at a resort

Hi Emily

How are you? My holiday at the resort is wonderful!

I went on a trip to Lagoon beach resort. I went with my family. We arrived at the resort early in the morning, we stayed at the resort for one week. At the resort, we went to the swimming pool everyday. I sat on the lounge chairs and read books. My father and brother swam. At night, we walked at the beach and saw the fireworks display.

It was a great trip and I had fun. Tell me about your trip!

Goodbye
