

**Week 10**

**Term 2 – Technology**

LO: Write down your ideas for your felt phone cover.

## Ideas

| Aesthetics<br>(how the product looks) | Target market<br>(who the product is aimed at) | Quality<br>(how well it's been made) | Functionality<br>(how well the product works) |
|---------------------------------------|------------------------------------------------|--------------------------------------|-----------------------------------------------|
|                                       |                                                |                                      |                                               |
