### "Vacations"

#### ESL Tests For Primary Kids

I'm John and these are photos from my vacations. In the first picture I'm with my team. We're playing in the park. I'm the goalkeeper.

We're winners in this game. In the second picture I'm climbing a mountain in Spain. I love this sport, but it's very difficult. My mum and dad are there, too. They're sitting down and eating biscuits.

My little sister is playing in the snow. In the third picture I'm playing chess with my best friend, Alan. I'm taking his queen. I'm winning.
