

The Chain by *Fleetwood Mac*

Listen to this song

And try to complete the missing words (without searching before for the lyrics! there's no fun in doing that!)

love	running (x3)	hear (x5)	silence	light	wind (x2)
lies	break (x5)	listen (x2)			

_____ to the _____ blow, watch the
sun rise

Running in the shadows, damn
your _____, damn your _____

And if, you don't love me now
You will never love me again
I can still _____ you saying
You would never _____ the chain
(Never break the chain)

And if you don't love me now
You will never love me again
I can still _____ you saying
You would never _____ the chain
(Never break the chain)

_____ to the _____ blow, down
comes the night
Running in the shadows, damn your
love, damn your lies
Break the _____, damn the dark,
damn the _____

And if you don't love me now
You will never love me again
I can still _____ you saying
You would never _____ the chain
(Never break the chain)

And if you don't love me now
You will never love me again
I can still _____ you saying

You would never _____ the chain
(Never break the chain)

And if you don't love me now
You will never love me again
I can still _____ you saying
You would never _____ the chain
(Never break the chain)

Chain keep us together (_____ in the
shadow)
Chain keep us together (_____ in the

Chain keep us together (_____ in
the shadow)
