And try to complete the missing words (without searching before for the lyrics! there's no fun in doing that!)

love	running (x3)	hear (x5)	silence	light	wind (x2)
lies	break (x5)	listen (x2)			

_____ to the _____ blow, watch the sun rise
Running in the shadows, damn your_____, damn your _____

And if, you don't love me now
You will never love me again
I can still _____ you saying
You would never _____the chain
(Never break the chain)

And if you don't love me now
You will never love me again
I can still _____you saying
You would never _____the chain
(Never break the chain)

_____ to the _____ blow, down comes the night
Running in the shadows, damn your love, damn your lies
Break the_____, damn the dark, damn the _____

And if you don't love me now
You will never love me again
I can still _____ you saying
You would never _____ the chain
(Never break the chain)

And if you don't love me now
You will never love me again
I can still _____ you saying

You would never _____ the chain
