VII. Read the following passage. Decide if the statements are True or False: (1pt)

A healthy lifestyle plays an important role in our daily lives. Actually, a healthy lifestyle includes a balanced diet, regular exercise. We should eat three meals a day: breakfast, lunch, and dinner. Remember not to skip breakfast because it can help us get through the day. We should also drink a lot of water because it helps our body filter blood well and keep our skin healthy. We should also learn to love fruits and vegetables. Those food groups have vitamins that our body need. Spending at least thirty minutes a day on physical activities. Regular exercise not only improves our health but also prevents some diseases.

- 31. A healthy lifestyle is about 2 main points: a balanced diet, and regular exercise.
- 32. We have to eat breakfast because it can help us get through the day.
- 33. We should drink much water.
- 34. Regular exercise can't prevent diseases.

Į	/III. Rearrang	e	the.	se	words	s i	nto	the	right	order	: ((0.5pt)
