

Nama:

Tarikh:

(a) Tulis dan sebut gabungan suku kata di bawah:

|           |                                                                                           |           |                                                                                           |           |                                                                                             |
|-----------|-------------------------------------------------------------------------------------------|-----------|-------------------------------------------------------------------------------------------|-----------|---------------------------------------------------------------------------------------------|
| <b>ma</b> | <br>mata | <b>mi</b> | <br>milo | <b>mu</b> | <br>muka |
|           |                                                                                           |           |                                                                                           |           |                                                                                             |
|           |                                                                                           |           |                                                                                           |           |                                                                                             |
|           |                                                                                           |           |                                                                                           |           |                                                                                             |

(b) Padankan suku kata yang sama

|           |           |           |
|-----------|-----------|-----------|
| <b>ma</b> | <b>mi</b> | <b>mu</b> |
|           |           |           |
|           |           |           |
|           |           |           |
|           |           |           |

Pilih jawapan yang betul untuk soalan (b)

|           |           |           |
|-----------|-----------|-----------|
| <b>ma</b> | <b>mi</b> | <b>mu</b> |
| <b>mu</b> | <b>mi</b> | <b>ma</b> |
| <b>mi</b> | <b>ma</b> | <b>mu</b> |
| <b>mu</b> | <b>mi</b> | <b>ma</b> |
