Talking about Sport

Alan

I started playing tennis when I was five years old, but I was never very good at it. My parents really wanted me to do well and paid for me to have lessons outside school, but I always preferred football. I'm good enough to be in a top local team. With tennis, I could never hit the ball where I wanted it to go – it was always too high or too far. Finally, my parents let me stop going to tennis lessons and I've spent my time playing football since then.

Rod

My favourite sport has always been rugby. I've tried other sports and I was good at tennis. I won a tennis competition at school and my sports teacher told me that I was an excellent tennis player. But I didn't enjoy it as much as rugby because I like being part of a team. So I stopped playing tennis when I was about thirteen. My teacher and parents thought I should continue with it, but I preferred rugby.

Ben

I've always played a lot of sport. It's an important part of my life, and since I left school I do a wide variety of different types of sports – golf, rugby, tennis and football. I'm quite good at all of them, but I can't really say that I enjoy one of them more than the others. I'm probably best at rugby because I'm a big person, and it is hard to stop me when I'm running fast.
