

Lily.

Lily was a little girl
Afraid of the big, wide world
She **grew** / **grow** up within her castle walls
Now and then she **cried** / **tried** to run
And then on the night with the setting **sun** / **moon**
She went in the woods **again** / **away**
So afraid, all alone
They / **Their** warned her, don't go there
There's creatures **who** / **whose** are hiding in the dark
Then something **come** / **came** creeping
It told her, don't you worry just
Follow everywhere I **goes** / **go**
Top over the mountains or valley low
Give / **Gave** you everything you've been dreaming of
Just let me in, ooh
Everything you want in gold, I'll be the magic story you've been told
And you'll be safe **under** / **above** I control
Just let me in, ohh 🌸.
