1. Read

Last weekend, Fatima's husband Carlos went to Asda to do the weekly shopping. Before he left, Lilly made sure she gave him the long list of **groceries** he had to buy. If he doesn't have a list, he will end up forgetting to buy lots of things. Once he arrived at the supermarket, he parked the car, took a **trolley**, and started shopping straight away. The first thing on the list was a head of lettuce, a bunch of bananas, a box of tomatoes and a bag of spinach. Then he went **looking for** two boxes of corn flakes, a jar of strawberry jam, a bag of sugar, a sack of rice and a dozen eggs.

He then went over the fridges and picked up a block of cheese, a pack of butter and a tub of fresh cream. He remembered that they needed a bottle of olive oil and tins of soup. Feeling a bit **thirsty**, he **picked up** a few cans of Pepsi and a carton of orange juice. Looking at the list once again, he still needed to pick up a bag of frozen vegetables and chips. That evening, they were having sandwiches for tea, so he chose a nice loaf of bread and slices of cold beef. Last on the list was kitchen roll, a tube of toothpaste and a bottle of shampoo. Once he finished, he felt a bit hungry, so he chose a bar of chocolate and a bag of crisps to eat on the way home.
