

You are not Alone

By Michael Jackson

Another _____  is gone
I' _____ still all alone
How could this be?
You' _____ not here with me
You never said _____ 
Someone tell me why
Did you have to go?
And leave my world so _____ 

Every day I _____  and ask myself
How did love slip away?
Something whispers in my _____  and says

[CHORUS]:

That you _____ not alone
I _____ here with you
Though you' _____ far away
I _____ here to stay
But you are not alone
I _____ here with you
Though we' _____ far apart
You' _____ always in my _____ 
But you are not alone

Alone, alone
Why, alone
Just the other _____ 
I thought I heard you _____ 
Asking me to come
And hold you in my _____ 
I can hear your prayers
Your burdens I will bear
But first I need your _____ 
Then forever can begin

Every day I _____  and ask myself
How did love slip away?
Something whispers in my _____  and says

[CHORUS]

Whisper three words and I'll come running
And girl you know that I'll be there
I'll be there

[CHORUS]
