Listen to the song

Complete the following text

From the day we arrive on the planet
And ____, step into the sun
There is more to see than can ever be seen
More to do than can ever be done

There is far too much to take in here
More to find than can ever be found
But the sun ____ high
Through the sapphire sky
Keeps great and small on the ____ round

It's the Circle of Life
And it moves us all
Through ____ and hope
Through faith and love
'Til we find our place
On the path ____
In the circle
The Circle of Life
It's the Circle of Life
And it ____ us all
Through despair and hope
Through faith and love
'Til we ____ our place
On the path unwinding
In the circle
The ____ of Life
