WORLD RECORDS SET BY KIDS

Most claps in a minute

Clapping may seem like an easy record - but it's harder than it looks! Just ask Seven Wade, the Florida based student (*sinh viên ở Florida*) and current Guinness Worlds Record holder of the most claps in one minute. He often trained three times a day, five days a week, clapping feverishly against the timer on the microwave. He clapped so much that he got blisters and would have to rest a day or two before training again. When the day came to break the record in December 2016, Seven clapped 1,080 times in one minute and beat the old record by 60 claps!

Fastest time to solve three Rubik's Cubes while juggling

Yep. You read that right: Que Jianyu, 13, from Fujian, China, started solving Rubik's Cube puzzles when he was six years old. He upped the difficulty factor by solving three while juggling them. He got a crazy impressive time of 5 minutes and 2.43 seconds in November 2018, breaking his own record of 5 minutes and 6.61 seconds in December 2017.

Part 4

Questions 20–25

Look at the six sentences for this part.

You will hear a woman called Julie and a man called Greg talking about an indoor wildlife centre they have visited.

Decide if each sentence is correct or incorrect.

If it is correct, put a tick (✓) in the box under A for YES. If it is not correct, put a tick (✓) in the box under B for NO.

A	B
YES	NO

20 They agree that the wildlife centre building is well designed.

21 Julie thought the sharks at the wildlife centre were frightening.

22 Julie found the building was too warm.

23 Greg was disappointed with the number of insects.

24 Greg only managed to see one tree frog.

25 Julie is very keen to return to the wildlife centre.
