A line drawing of a human figure from the waist up, showing the internal nervous system. The brain is at the top, with a line pointing to a rectangular label box. The spinal cord runs down the center, with a line pointing to another rectangular label box. Nerves branch out from the spinal cord to the arms and legs. The entire diagram is enclosed in a dashed blue border. A small circular logo with a pencil and the text 'Imágenes Educativas' is in the top right corner. A small watermark 'Imágenes Educativas.com' is at the bottom left of the diagram.
