

## Apa itu Passive Voice?

*Passive voice* adalah jenis kalimat bahasa Inggris yang menekankan pada objek (*receiver of action*). Sedangkan kalimat aktif menekankan pada subjek atau pelaku kegiatan (*doer of action*).

elain menitikberatkan objek, *passive voice* juga berguna sebagai pernyataan ketika subjek atau pelaku tidak diketahui dengan jelas ataupun menandakan bahwa subjeknya merupakan benda mati.

## Why do we use passive voice?

1. We don't want to talk about who did the action

Contoh:

- ✓ Satay is made of chicken, lamb, or beef
- ✓ Pempek is made of rice and chicken

2. We don't know who did the action

Contoh:

- ✓ The car is stolen
- ✓ The window is opened

3. The object is more interesting or important than the subject for example to mention identity, material forming objects, circumstances regarding objects, and feelings.
4. The passive voice is often used in formal texts.
5. If we want to say who or what performs the action while using the passive voice, we use the preposition *by*.
6. To make more polite or formal statements.
7. When the action is more important than the agent, as in processes, instructions, events, reports, headlines, news items, and advertisements.

## Kapan/Untuk apa kita menggunakan kalimat passive?

1. Jika kita tidak ingin membicarakan siapa yang melakukan suatu aksi.
2. Jika kita tidak tahu siapa yang melakukan suatu aksi
3. Jika objek lebih menarik atau penting dari subjek misalnya penyebutan identitas, materi pembentuk objek, keadaan mengenai objek, dan perasaan.
4. Kalimat pasif sering digunakan dalam teks formal.
5. Jika kita ingin mengatakan siapa atau apa yang melakukan tindakan saat menggunakan kalimat pasif, kita menggunakan preposisi **by**
6. Untuk membuat pernyataan yang lebih sopan atau formal.
7. Ketika tindakan lebih penting daripada siapa yang melakukannya, seperti dalam proses, instruksi, peristiwa, laporan, berita utama, berita, dan iklan.
