Name:	Class:	UNIT 6B

believe in | am aware of | prepare for | care about

I love nature and really _____ the environment. When I go hiking in the woods, I _____ the fact that I am in the home of many living things. I also _____ taking out anything that I bring in to the forest. I _____ this by bringing a small bag to put all my trash in.

agree with | pay attention to | am shocked by | worry about

When I am hiking in the woods and I see people throw trash on the ground, I _____ it. Some people do not _____ leaving trash in the forest because they believe someone else will clean it up. I often tell these people that I do not _____ what they are doing and give them a bag to collect their trash. I think that it is important to remind others that they should _____ how their actions affect the world around them.
