คำอธิบาย : ให้นักเรียนให้นักเรียนอ่านเรื่องแล้วพิจารณาข้อความที่กำหนดว่าเป็นความจริงหรือไม่

Mick: Hello, what's your name and where are you from?

Sally: I'm Sally and I'm from Coventry.

Mick: What time did you arrive?

Sally: We got here about 10 o'clock this morning. I'm here with my older sister.

Mick: But it's 3 o'clock now and the concert starts at 8.30!

Sally: I know, but I want to be at the front.

Mick: Have you ever been to a McFly concert?

Sally: No, I've never been to any concert before. This is the first time. I'm so excited about seeing my favourite band.

Mick: Who's your favourite band member?

Sally: Tom. He's fantastic. He's got the best voice ever.

Mick: And you? Where are you from?

Marcus: I'm Marcus and I'm from near Birmingham.

Mick: Did you arrive early too?

Marcus: Of course. It's fun to be here with everyone.

Mick: And who's your favourite band member?

Marcus: They're all really great, but I love Harry, the drummer because I've just started learning to play the drums.

Mick: So, what are you all doing while you are waiting?

Marcus: We're singing all their songs of course.

Sally and Marcus: (singing) *Everyone asked me, who the hell was she. That weirdo with 5 colours in her hair.*

	TRUE	FALSE
1. Sally arrived at 11 o'clock.
