Goodbye England's _____
May you ever grow in our _____

You called out to our country
And you whispered to those in _____
Now you belong to _____
And the _____ spell out your name

And it seems to me you lived your _____
Like a candle in the wind
Never fading with the _____
When the rain set in
And your footsteps will always fall here
Along _____'s greenest hills
Your candles burned out long before
Your _____ ever will

All our words cannot express

1. _____
2. _____
3. _____
4. _____
5. _____
6. _____
7. _____
8. _____

The joy you've brought us through the years

Even though we try

This torch we'll always carry

These empty days without your smile

Loveliness we've lost

The truth brings us to tears

And it seems to me you lived your _____
Like a candle in the wind
Never fading with the _____
When the rain set in
And your footsteps will always fall here
Along _____'s greenest hills
Your candles burned out long before
Your _____ ever will

For our nation's golden child

Goodbye England's rose
May you ever grow in our hearts
You were the grace that placed yourself
Where lives were torn apart

Goodbye England's rose
From the _____ lost
Without your _____ who missed the wings of your compassion
More than you will ever know

And it seems to me you lived your _____
Like a candle in the wind
Never fading with the _____
When the rain set in
And your footsteps will always fall here
Along _____'s greenest hills
Your candles burned out long before
Your _____ ever will
