

Candle in the Wind

Goodbye England's _____
 May you ever grow in our _____
 You were the grace that placed itself
 Where lives were torn apart
 You called out to our country
 And you whispered to those in _____
 Now you belong to _____
 And the _____ spell out your name

And it seems to me you lived your _____
 Like a candle in the wind
 Never fading with the _____
 When the rain set in
 And your footsteps will always fall here
 Along _____'s greenest hills
 Your candles burned out long before
 Your _____ ever will

HEARTS

HEAVEN

ROSE

STARS

All our words cannot express

- 1 _____
- 2 _____
- 3 _____
- 4 _____
- 5 _____
- 6 _____
- 7 _____
- 8 _____

The joy you've brought us through the years

Even though we try

This torch we'll always carry

These empty days without your smile

Loveliness we've lost

The truth brings us to tears

For our nation's golden child

And it seems to me you lived your _____
 Like a candle in the wind
 Never fading with the _____
 When the rain set in
 And your footsteps will always fall here
 Along _____'s greenest hills
 Your candles burned out long before
 Your _____ ever will

Goodbye England's rose
 May you ever grow in our hearts
 You were the grace that placed yourself
 Where lives were torn apart

Goodbye England's rose
 From the _____ lost
 Without your _____ who missed the wings of your compassion
 More than you will ever know

And it seems to me you lived your _____
 Like a candle in the wind
 Never fading with the _____
 When the rain set in
 And your footsteps will always fall here
 Along _____'s greenest hills
 Your candles burned out long before
 Your _____ ever will
