III. Read and answer the questions

Hello. My name is Sam. I am thirteen years old. I am living in Manchester City with my brother but I am from Surat Thani, Thailand. My parents still live there.

I moved to this city three years ago. My brother has his own company in this city so he wants me to come and study here. I go to a secondary school in the city centre. It is a big school with over one thousand students. Many things are different. My new school is much bigger than my old school. I don't have many friends in my new school. I am not happy. I miss my parents and my friends very much.

- How old is Sam?
- Where is he from?
- Who is he living with?
- How is his new school different from his old school?
- Why does he come to Manchester to study?
- When did he move to Manchester City?

7. Does he have many friends in his new school?
8. Why is he unhappy?
