

Name: _____

TEMBURONG DISTRICT

Yesterday I went to Temburong by boat. First, I bought a ticket at the jetty. The boat ride was bumpy. Next, I tasted a wajid at the market and it was yummy. Then I saw an old lady weaving a basket.

On Sunday I went to Ulu Temburong National Park. I went up the stairs to the canopy walkway. It was higher than the treetops. I saw all the forest and some houses very far away. I enjoyed my trip.

At Temburong you can see the hornbills flying over the trees, monkeys playing in the trees, crocodiles swimming in the river.

Click the correct answer by referring to the text.
