English Year 3A week 10 (7th to 12th March 2022)

BATU SENAWAT 1

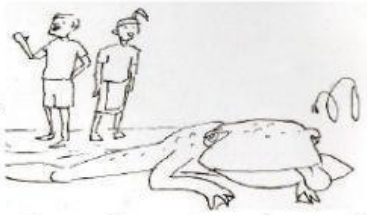

A long time ago, a small Murut tribe lived in a long house near a river. They hunted wild animals, fished and planted rice.

One day the village children went swimming in the river all day. They had fun swimming across the river and racing with each other.

After swimming, on the way home, they found a frog jumping along the track. The children were mean to the poor frog. They kicked and bullied it. They kicked the poor frog all the way back to their village.
