

Lesson 5: Language on the go

Activity 1 Vocabulary

Look at the text again. Can you find words that mean:

Language on the go

Good news for language learners: new apps can make language learning fun, and many of them are free.

Wordpic! Play sports with words. Have fun practicing sports vocabulary and choose pictures to match the words. The app makes a noise when you make mistakes.

Reading Club Reading is one of the best ways to learn English. Our app has books about different subjects for every level. Read and watch the stories on videos and do interesting activities. If you make a mistake, you can try again. The first book is **OXFORD** free.

Grammar In Use This is the world's best-selling English grammar book for English learners. Grammar is explained clearly and there are activities to help you practice every rule. You can read and also listen to the examples.
