Look out for yourself

Ito the sounds of the silence that allows
For my mind to run around, with up to the ground
I'm searching to behold the stories that are told
When my back is to the world that

Tell you you're the greatest
But once you turn, they hate us

Oh,
Everybody wants to be my enemy
Spare the sympathy
Everybody wants to be my enemy-y-y-y-y
(Look out for yourself)
My enemy-y-y-y-y (Look, look, look, look)
(.....for yourself)
But I'm ready

Your words up on theas you're prayin' for my fall
And the laughter in the halls and the names that I've been called
I stack it in my mind, and I'm waiting for the time
When I show you what it's like to be words spit in a mic

Tell you you're the greatest
But once you turn, they hate us (Ha)

Oh, the misery
Everybody wants to be my
Spare the sympathy
Everybody wants to be my enemy-y-y-y-y (Look, look, look, look)
(Look out for yourself)
My enemy-y-y-y-y (Look, look, look, look; yeah)
(Look out for yourself)
Uh, look, okay

I'm hopin' that somebodyfor me
I'm prayin' that somebody hope for me
I'm stayin' where nobody 'posed to be p-p-posted
Being
Ready to go whenever, just let me know
The road is long, so put the pedal into the floor
The enemy on my trail, my energy unavailable
I'ma tell 'em, "Hasta luego"
They wanna plot on my trot to the top
I been outta shape, thinkin' out the box, I'm an astronaut

wake up- obódz się

was smiling when I turned-
śmiał się gdy się owróciłem

Look out – uważaj

my ear- moje ucho

the misery – w biedzie

wall- ściana -ściana

enemy- wróg

a wreck of emotions –
wrak emocji

pray- módl się

blasted off- wystrzelić

Spare the sympathy-
oszczędź współczucia

Ithe planet rock to cause catastrophe
And it matters more because I had it not
Had I thought about wreaking havoc
On an opposition, kinda shockin' they wanted static
With precision, I'm automatic quarterback
I ain't talkin' sackin', pack it

Pack it up, I don't panic, batter-batter up
Who the baddest? It don't matter 'cause we at your throat

Everybody wants to be my enemy
..... (Ah)
Everybody wants to be my enemy
Oh, the misery (Ah)
Everybody wants to be my enemy
Spare the sympathy (Ah)
Everybody wants to be my enemy

Pray it away, I **swear** I'll never be a saint, no way
My enemy
Pray it away, I swear I'll never be a saint
(Look out for yourself)
