

COMPOUND NOUNS

A compound noun is a noun that is made from two words, for example, *sunflower*.

PRACTICE: Put two nouns together to make a compound noun.

back	pack	backpack
air	plane	
bed	room	
black	board	
tooth	paste	
eye	brows	
toy	shop	
black	bird	
arm	chair	
basket	ball	
school	bus	
cell	phone	

PRACTICE: Match two nouns to make a compound noun.

- | | | |
|---------------------|--------|---------|
| 1. <u>classroom</u> | class | cake |
| 2. _____ | rain | officer |
| 3. _____ | tooth | melon |
| 4. _____ | seat | brush |
| 5. _____ | mail | box |
| 6. _____ | cup | coat |
| 7. _____ | police | belt |
| 8. _____ | water | room |
-
- A blue arrow originates from the word 'class' in the second column and points diagonally down and to the right to the word 'room' in the third column.
