Amazing Playgrounds

Do you like playing outside? Many children like playing in playgrounds. Playgrounds can be really fun!

This is a very special playground in Japan. The artist who made this playground is from Japan. Her name is Toshiko Horiuchi-MacAdam.

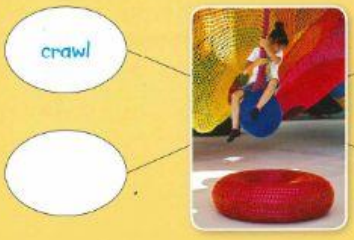

In this playground, you can jump and play on big, colourful circles. You can run, crawl, climb and slide! You can bounce and have a lot of fun here. There are even big balls to swing on. It's really cool!
