

Future Simple for Prediction

1.

Look at the phrase book app. Read the **You Say** phrases, then write the **A Pessimist Says** responses.

Choose from this list:

He won't pay you back. They'll be late. You won't pass.
 It'll rain. They'll lose. You won't understand a word.
 You won't find a parking space. You'll break your leg.

2. Listen and complete the text.

Presenter:

Today's is „positive thinking”. We all know that people who are positive than people who are negative and But studies show that positive people are also They when they are ill, and they A study has that people who are optimistic and think live, on, nine years longer than pessimistic people.

3. Write sentences, questions with **WILL** or **WON'T**.

Use **contractions** where you can

e.g.:

- nem lesz könnyű átmenni (pass) - It **won't be** easy to pass.
