House where nobody lives Tom Waits

1/ Listen and drag the words to their places

There's a house on my block
That's _____ and cold
_____ moved out of it a
Long time _____
And they took all their _____
And they _____ came back
Looks like it's _____
With the windows all _____
And _____ calls it
The house, the house where
_____ lives

abandoned
ago
cracked
everyone
Folks
haunted
never
Nobody
things

2/ Chorus – put the lines in the correct order

1. Did someone's heart break
2. Did they know what it means
3. Did they throw it away
4. Once it held dreams
5. Once it held laughter
6. Or did someone do somebody wrong?

3/ Correct the wrong words

Well the *glass* was all cracked

It was peeled off of the *door*

Papers were stacked on the porch

Where I *was*

And the *trees* had grown up

Just as high as the *roof*

There were birds in the chimney

And an old *mix* of drawers

Looks like no one *wants* ever

Come *down* to the

House were nobody lives

Chorus

4/ Fill in the missing words

So if you _____ someone

Someone to have, someone to hold

Don't trade it for _____

Don't trade it for gold

I have all of life's _____

And they are fine and they are _____

They _____ me that houses

Are just made of wood

What _____ a house grand

Ain't the _____ or the doors

If there's _____ in a house

It's a _____ for sure

Without _____...

It ain't _____ but a house

A house where nobody lives

Without _____ it ain't _____

But a house, a house where

Nobody lives.
