

Ex. 1: Complete with the expressions in the box

Do you ever feel like ?
Do you ever feel ?
Like somehow you just don't belong
And
Do you ever want ?
Do you lock yourself in your room?
With the radio on turned up so loud
That
No you don't know what it's like
When
You don't know what it's like

Out of place
No one understands you
To be like me
Breaking down
No one hears you screaming
Nothing feels alright
To run away

CHORUS

Ex. 2: Complete with words you hear

To be to feel
To be in the dark
To be when you're
To feel like you've been
To be of breaking down
And no one there to
No you don't know what it's like
Welcome to my life

Ex. 3: Complete with the expressions in the box

Do you want to be ?
Are you of feeling so left out?
Are you to find something more
Before your life is
Are you stuck inside a world you?
Are you of everyone around?
With the big smiles and stupid
But deep inside you're
No you don't know what it's like
When nothing feels alright
You don't know what it's like to be like me

CHORUS
