My name is Oxana and I am 45 years old.

I was born in the north of Russia.

I am economist as a profession.

I'm graduated from Economic University

In Russia I worked as a manager in a travel company.

I moved to Spain in 2000 and I lived in northern Spain in Galicia for 15 years.

I worked in Vigo for a consulting company.

There I had a lot of friends and my family.

Then I was invited to work in a project in Tenerife.

I am currently unemployed, because my enterprise was sold.

My personal life: I live in Adeje.

I am divorced and I have two daughters.

My eldest daughter is 19 years old.

Her name is Catherine and she is studying in Germany.

She is a very wise, kind and smart girl.

Catherine speaks Spanish, Galician, German, English and a bit of French.

She likes traveling, cooking, driving car.

My youngest daughter´s name is Sofia.

She is 4 years old. She is active and has a strong personality , but she is a sensitive and cheerful child.

I love spending time with my children.

They are my happiness, I love watching them, listening to them.

I accept them as they are.

But I can also travel alone and like to spend time alone.

When I am on my own, I like reading, listening to music or useful information, watching movies or being in nature.

But I like going to the forest, to the mountains with my daughters or my friends.

We do picnics, we play piretes for my Sofia o play board games.

I enjoy every day of my live and consider myself a happy person.
