I think that it's a really great way	
street art in them.	
and in Paris, I really loved	
whether it's things to do with	
don't have to go into a museum	
I think that one of the coolest	
I really like street art,	
and the murals that were on the	
accessible to everybody so you	
that the artist cares about.	
that you find in a museum.	
as respectable as the art	
are cities that have a lot of	
Cities like Melbourne, in Australia	
and I do think that it's just	
for the artists to express the	
to see it	
Some of my favorite cities	
sides of buildings hmm...	
things that they care about	
things about street art is that it's	
all the street art	
politics or society or anything
