

I. What is the sum? Decompose both addends to solve.

a. $149 + 362 = ?$

b. Add hundreds: $\underline{\quad} + \underline{\quad} = \underline{\quad}$

Add tens: $\underline{\quad} + \underline{\quad} = \underline{\quad}$

Add ones: $\underline{\quad} + \underline{\quad} = \underline{\quad}$

c. Add partial sums: $\underline{\quad} + \underline{\quad} + \underline{\quad} = \underline{\quad}$
