Picture yourself  a boat on a river,  
 tangerine trees and marmalade skies.

Somebody calls you, you answer quite slowly,

A girl  kaleidoscope eyes.

Cellophane flowers  yellow and green,

Towering  your head.

Look  the girl with the sun in her eyes,

And she's gone.

Lucy  the sky with diamonds,

Lucy  the sky with diamonds,

Lucy  the sky with diamonds... ahh

Follow her  to a bridge  a fountain,

Where rocking horse people eat marshmallow pies.

Everyone smiles  you drift past the flowers,

That grow so incredibly high.

Newspaper taxis appear  the shore,

Waiting  take you away.

Climb  the back with your head  the clouds,

And you're gone.

Picture yourself  a train in a station,

With plasticine porters  looking glass ties.

Suddenly someone is there  the turnstile,

The girl  kaleidoscope eyes...
