8. Ivan's puppy can walk, can't it? \_\_\_\_\_

2/70 - Complete the text with the words in the box.

South   strong   violin   robots   friendliest   looking   kitchen   Yesterday

**Jim's Diary**

We're in South Korea at the moment and we've seen some of the robots which they make. Sometimes people don't think about it, but there are lots of different kinds of \_\_\_\_\_ and they can do lots of different things. People use them in the \_\_\_\_\_, and to clean floors, and they're also very important for work. \_\_\_\_\_ afternoon, we went to a place where they had some really interesting robots. There was one which could play the \_\_\_\_\_, which my mum liked, and another one which could lift cars. Su-Lin said it was as \_\_\_\_\_ as Ivan! I think the \_\_\_\_\_ robot was a puppy, and so did Ivan! While we were \_\_\_\_\_ at one of the biggest robots in the world, Ivan bought a robot puppy. His name's Mr Barker. We couldn't believe it when Ivan came out of the building with Mr Barker!

### 3/70 - Review the story

- I think the story is **great** / **good** / **OK** / **not very good** .
