1. Give **tick** for organelles that present in each cell

Organelle	Animal	Plant	Function
<b>Cell wall</b> 			
<b>Cell membrane</b>			
<b>Cytoplasm</b>			
<b>Nucleus</b> 			

Organelle	Animal	Plant	Function
<b>Vacuole (large/small)</b>			
<b>Ribosomes</b>			
<b>Mitochondria</b> 			
<b>Chloroplast</b> 			

## PART 2

Compare the structure of the animal and the plant cell, write in the diagram below.
