

2 Circle the correct quantifiers to complete the conversations.

1. A: Please get (any / a lot of) toothpaste when you go to the store.

B: Again? I can't believe there isn't (some / any). What do the children do with it—eat it?

2. A: Oh, no! Mom and Dad are coming for breakfast tomorrow and there isn't (much / many) milk.

B: No problem. I don't use (much / any) milk in my coffee, and your dad doesn't use (some / any).

3. A: I'm going shopping. Is there (any / many) shaving cream? Could you check in the bathroom?

B: No, honey. There isn't (some / any). You need (much / some). And while you're at the store, there isn't (a lot of / many) shampoo. Could you get (some / much)?

4. A: There aren't (many / much) eggs in the fridge. We definitely need (some / many) for the cake.

B: Would you like me to pick (some / any) up when I go out later?

5. A: Where would I find nail clippers? I need (some / much), and I didn't see (much / any) on the shelf.

B: Really? We had (much / lots of) them this morning. Let me go look.
