5. In nature schools, the students usually (study/studies) outdoors.

**5. Complete the dialogue with the words in the box!**

conditions	types	disabilities	international	nature
------------	-------	--------------	---------------	--------

Mamat : Friends, do you know that there are many  
(1) \_\_\_\_\_ of schools in Jakarta?

Juki : Yes, I know.

Mamat : Why don't we just have state school?

Mumun : Because the people in Jakarta have different purposes  
and (2) \_\_\_\_\_.

Zaenab : Yes, you're right. For example, the students with  
(3) \_\_\_\_\_ can go to special school. They can  
learn specific lessons according to their needs.

Mumun : For the students who come from other countries  
and can only speak English, they can go to an  
(4) \_\_\_\_\_ school. It will be easier for them to  
follow the lesson.

Juki : For children who love (5) \_\_\_\_\_, they  
can go to nature schools.

Mamat : Hmm, I see. Each kind of school has their own reasons  
and purposes. In the end, all of them are great.
