Trees for the Future

Why should we plant trees? Because they change our lives. Trees give food to people and animals. We need trees to build houses and schools. We burn wood from trees to keep warm in the winter. Trees help to keep our environment clean and green. Trees for the Future work with farmers and community groups to plant trees. We also help people grow special forest gardens with fruits and vegetables. We help people all around the world have better lives by planting trees. You can help, too, by donating money on the Trees for the Future website. Every dollar you donate can buy a new tree.
