IRREGULAR VERBS

Study tip!

This is a list of irregular verbs that you've come across in this book. Learning them doesn't need to be boring. Here are some tips:

› Use the phonetic script and online dictionaries to help you with pronunciation.

› Use each verb in an example sentence. What is the best translation into Croatian?

› Cover everything but the base form column. Write and/or say the past form of the verb.

› Cover everything but the past column. What is the base form?
