

# IRREGULAR VERBS

## Study tip!

This is a list of irregular verbs that you've come across in this book. Learning them doesn't need to be boring. Here are some tips:

- › Use the **phonetic script** and **online dictionaries** to help you with **pronunciation**.
- › Use each verb in an **example sentence**. What is the best translation into Croatian?
- › Cover everything but the **base form** column. Write and/or say the past form of the verb.
- › Cover everything but the **past** column. What is the base form?

## UNIT 3
