I won't give up - Jason Mraz

When I look into your .....
It's like watching the night sky
Or a ..... sunrise
Well, there's so much they hold

And just like them ..... stars
I see that you've come so far
To be right where ..... are
How old is your soul?

Well, I won't give up on us
Even if ..... skies get rough
I'm giving you all my .....
I'm still looking up

And when you're needing ..... space
To do some navigating
I'll be here patiently waiting
To see ..... you find

'Cause even the stars, they burn
Some even fall to the Earth
We've got a lot to learn
God ..... we're worth it
No, I won't give up

I don't wanna be someone ..... walks away so easily
I'm here to stay and make the difference that I ..... make
Our differences, they do a lot to teach us
How to ..... the tools and gifts we got, yeah
We got a lot at stake

And in the end, you're still my .....
At least, we did intend for us to work
We didn't break, we didn't burn
We had to learn how to bend without the world caving in
I had to learn what I've got ..... what I'm not
And who I am

I won't give up on us
Even if ..... skies get rough
I'm giving you all my .....
I'm still looking up
I'm still looking up

Well, I won't give up on us (no, I'm not giving up)
God ..... I'm tough enough (I am tough, I am loved)
We got a lot to learn (we're alive, we are loved)
God ..... we're worth it (and we're worth it)
