The Friends of Glasgow Botanic Gardens

31.How many legs does a bumble bee have?

32. Find this notice – have a read about looking after our wildlife....

33.What is this called? What kind of animals might like it?

34. Why not take a photo here of you, your friends or family.

35.Can you find this map? What is the name of the river? What animal does it look like?
