

## A Bad Blind Date

**Watch the video of "Rachel's worst date ever" and complete the dialogue with the missing words**

Wow, everything looks so good! I think I'm gonna have the chicken.

**I - I just have to (1) \_\_\_\_\_ this; you're really (2) \_\_\_\_\_.**

Oh, well, that's - that's very (3) \_\_\_\_\_. Thank you.

**I'm kind of (4) \_\_\_\_\_ looking.**

What?

**Oh, come on, you're way out of my(5) \_\_\_\_\_. Everybody in here knows it. Bet that guy over there's probably saying, "ooh, why she out with him? He must be (6) \_\_\_\_\_!" Well, I'm not!**

Ok, I guess the (7) \_\_\_\_\_ is on him! hahaha

So, what do think you want to (8) \_\_\_\_\_? I'm really excited about that (9) \_\_\_\_\_.

**I'm not funny either. So, if you were thinking, "well, he's not that (10) \_\_\_\_\_, but maybe we'll have some (11) \_\_\_\_\_" ... That ain't gonna happen.**

Well, come on, Steve; let's not rule out nervous laughter.

I think we should (12) \_\_\_\_\_ and then (13) \_\_\_\_\_ and then(14) \_\_\_\_\_.

**I've got a lot of (15) \_\_\_\_\_ problems.**

Hey, now wait a minute. Phoebe told me that - that you owned your own (16) \_\_\_\_\_. That's impressive.

**I lost it. To (17) \_\_\_\_\_. I silk-screen t-shirts now.**

Really? What's that like?

**It's really fulfilling doing something you (18) \_\_\_\_\_ for no (19) \_\_\_\_\_. That's right. I have no money, I'm not funny, I live in a (20) \_\_\_\_\_ apartment with two other(21) \_\_\_\_\_, and I'm pretty sure I'm infertile.**

Now, come on, come on, Steve. There must be (22) \_\_\_\_\_ that you like about yourself.

**I do like my (23) \_\_\_\_\_.**

Really?
