Listen and guess? Who is Hassan? Choose the correct number

Dad: Everyone from Main Street is here!

Alec: There's the woman who works in the café down the street.

Dad: And that man drives a truck.

Alec: The people who drive the ambulance are here, too. I think everyone's safe.

Dad: I'm glad about that. Do you see Hassan?

Alec: Who's he?

Dad: He's the rescue worker who came to our store.

Alec: Look, he's telling a story to those kids. He's flying a helicopter!
