

Write short answers (one or two words) to the questions below. Write your answers in a random order in the speech bubbles.

- a place you used to go to all the time
- something you used to be really into
- a kind of food you didn't use to eat but now you do
- something you are getting used to
- something you used to have but now you don't
- a game you used to play when you were younger
- a city you think you could get used to living in
- something that you used to do that you wish you still did
- an activity you don't do as much as you used to
- something you used to really want when you were younger
- a place you used to go on holiday
- something that took you a long time to get used to
