Positive sides / advantages	Negative sides / disadvantages

LIVEWORKSHEETS

ARIES *March 21 – April 19* You are very active, adventurous, independent and outgoing. Sometimes you can be rather impulsive but massively regret it later. You are rather naive but open-hearted.	**TAURUS** *April 20 – May 20* You look cool and calm because you like to stay quiet. People find you rather smart and ambitious. You are an amazing friend, colleague and partner because you are truly sociable and reliable.	**GEMINI** *May 21 – June 20* You are a very curious, sometimes mischievous, multi-faceted personality. Really talkative, you like learning foreign languages and travelling!	**CANCER** *June 21 – July 22* You are a very emotional person. Caring for friends and family, you can however appear insensitive to others. You appreciate your partner because you try to stay romantic and loving all your life.
LEO *July 23 – August 22* Brave, intelligent and very charismatic, positive-thinking, devoted and faithful, you possess all the qualities for a leader. However, somebody would say that you are a very jealous and impatient person.	**VIRGO** *August 23 – September 22* Smart, sophisticated and kind. You love to be in the "service to others", you are kind-hearted, creative and sensitive. You possess an "inner-light" that leads you to success. You are not a dreamer, rather practical grounded instead. As well as flexible and open to change.	**LIBRA** *September 23 – October 22* Looking for peace and harmony, very creative. You like spending your time looking for the right partner as love is important for you. You are known as a master of diplomacy and compromise.	**SCORPIO** *October 23 – November 21* Passionate, and powerful person. You can be very secret and contradictory, you can say "no" when you want to say "yes". You don't forgive nor forget! You love debates and aren`t afraid of controversary.
SAGITTARIUS *November 22 – December 21* Big-hearted, generous fun-loving, you like adventure. You are very optimistic and like seeking for your own happiness. You are very truthful. Because of this you may hurt other`s feelings.	**CAPRICORN** *December 22 – January 19* Quiet, patient and persevering. You are ambitious, practical and a superb-organizer! Your being really hard-working helps you to fully control your destiny. Though you have a reputation of a very stubborn person.	**AQUARIOUS** *January 20 – February 18* You are an enigmatical and truly independent person. You like thinking, inventing things. You can be eccentric too. Being outgoing you make friends easily. There is no one like you because you are incredibly individual.	**PISCES** *February 19 – March 20* You are smart, creative mysterious, extremely talented and intuitive but often rather confused. You find it hard to make decisions because you feel things deeply and have incredibly strong reactions on situations.

4. **Write what you think of it. Say a few words about yourself and two of your mates. Do you see any of these traits in your character? What can you say about your friends` personality?**
