1. Complete the dialogue with the correct word:

Waiter: Good evening, Mrs Richards. Would you like to order?

Mrs Richards: Yes, please. I'd like to start with some onion soup.

Waiter: An excellent choice. And for your main course?

Mrs Richards: Well, I usually have sweet and sour chicken, but tell me, how is the steak?

Waiter: Our steaks are delicious. You can order a fillet steak grilled in honey mustard sauce or broiled with mushrooms.

Mrs Richards: I'd like the broiled steak with mushrooms. Does it come with a side dish? **Waiter:** Yes, it's served with a baked potato or peas.

Mrs Richards: Are the peas steamed?

Waiter: Yes, they are. Then they're topped with olive oil and garlic.

Mrs Richards: That sounds nice, but I'd prefer a baked potato.

Waiter: OK. I'll be right back with your soup.
