

**1 You will hear a boy and his mother talking about his school books. What do they decide to do with his books?**

A put them away in his bedroom

B lend them to someone else

C throw them away

**2 You will hear a boy telling his friend about helping at home. How does he feel about it?**

A excited by the idea

B annoyed that his brother doesn't help

C confident that it won't take long

**3 You will hear two friends talking about a trip.**

**The boy says he will miss the trip because**

A he's going away with his parents.

B he hasn't got the right equipment.

C he has made a mistake with the date.

**4 You will hear two friends talking about a TV series. What does the boy like about the series?**

A It shows realistic teenage situations.

B It has good actors.

C it had a surprising ending.

**5 You will hear two friends talking about a house. What is the problem with the girl's new house?**

A It's too far from her school.

B She has to share a bedroom with her sister.

C It's dangerous to cycle outside it.

**6 You will hear two friends talking about a new video game. What is the girl's problem?**

A She hasn't got a castle.

B She can't cross the river.

C She's got too many gold coins.

1. A: Mum, where shall I put my old school books from last year? I've hardly got any \_\_\_\_\_ for them all, so I need to get rid of some.

B: Well, they are sometimes useful when you want to check something, but Harry's mum asked me if \_\_\_\_\_. You know he's in the class below you.

A: That's not a bad idea. I can always \_\_\_\_\_

B: All right, just put them \_\_\_\_\_ in the hall for the moment and I'll call Harry's mum to \_\_\_\_\_.

2. A: Hi Luke. Shall we go into town this morning?

B: I'd love to, but my mum wants me to help her move stuff. She's clearing out the garage and she can't do it by herself. We're going to look through all the \_\_\_\_\_. I'm actually

\_\_\_\_\_ seeing what's there. It would be \_\_\_\_\_, \_\_\_\_\_ he says he has to \_\_\_\_\_.

A: Yeah, my brother is always \_\_\_\_\_ too! I think it is true this time!

3. A: Hey Pete, are you coming on the trip to the mountains tomorrow?

B: Well, I told Mr Brown I \_\_\_\_\_ and I even \_\_\_\_\_ some new \_\_\_\_\_, although I think they're a bit small, so I'll have to \_\_\_\_\_ them, but \_\_\_\_\_.

A: Why \_\_\_\_\_?

B: They're \_\_\_\_\_, so they \_\_\_\_\_. I got the \_\_\_\_\_ when I told them about the trip and now I \_\_\_\_\_.

A: That's a pity. Get those boots for the next time!

4. A: I saw that new series last night. It was \_\_\_\_\_!

B: I know! It's really \_\_\_\_\_, isn't it? The family situation is quite \_\_\_\_\_ - in fact, they're a bit like my family sometimes!

A: You're not serious! They have \_\_\_\_\_, but I agree the brother and sister \_\_\_\_\_ really well.

B: Yeah, I think they're **convincing (đầy thuyết phục)**. I'm looking forward to the next \_\_\_\_\_. I want to know what \_\_\_\_\_ to their friend who \_\_\_\_\_.

A: I **reckon (nghĩ là)** the sister knows where he is.

B: We'll see \_\_\_\_\_ next week!

5. A: So, how's your new house?

B: Well, it's OK. My sister and I have got our \_\_\_\_\_ and my dad has put a \_\_\_\_\_ in the garage. You know, with an \_\_\_\_\_ and other machines.

A: Wow! That's great!

B: Yeah, but I prefer \_\_\_\_\_, and now we live on a \_\_\_\_\_ main road I \_\_\_\_\_ just ride down the street with friends like I did when we lived in our old house. But at least I \_\_\_\_\_ for lunch.

A: That's good. I have to eat that \_\_\_\_\_!

6. A: What do you think of the new game?

B: It's \_\_\_\_\_. I got to the fourth level and I managed to \_\_\_\_\_ to protect my **soldiers (lính)**.

A: Did you? I can't get past the third level. What do you have to do to move up?

B: The trick is to \_\_\_\_\_ at the beginning. Then you'll have enough to \_\_\_\_\_ in the third level so that you \_\_\_\_\_.

A: Ah! I thought \_\_\_\_\_.

B: I think that's important for \_\_\_\_\_.
